NEW POSTURE?

Until recently, I regarded MAD as a funny but somewhat worthless publication. You seemed to be avoiding the issues of importance . . . which would shock the reading public and result in controversy. However, I happily detect a trend in the last few issues that disproves my theory. No matter what criticism you get for your new posture, and you are sure to get quite a bit, I hope you will continue your crusade and fully play your role in the construction of a better American society.

PROMINENT EDUCATOR?

In a recent mid-term examination in an Education course, I asked my students to identify certain prominent educators. I was distressed when only 27 out of 36 correctly identified Alfred E. Neuman. The nine dummies have been screened out of the Teacher-Education program on the grounds that they probably wouldn't know what the kids were reading behind their history books.

"THE DOODLETOWN PIPERS" GO MAD AGAIN

During a break in rehearsals, while appearing with Nancy Wilson at the Sahara Hotel in Las Vegas, "The Doodletown Pipers" staged a "love-in" with MAD. My musical director, George Wilkins, and I find that MAD is the best form of relaxation for the kids during their grueling sixteen-hour days. Other

GREAT MOMENTS IN POLITICS

"MAD's Great Moments In Politics" got right to the heart of the matter. I am forwarding a copy to the White House.

Jerry Jacobs
Skokie, Ill.

"MAD's Great Moments in Politics" was something else!

David Roop
Decatur, Ala.

There is a subtle perversion of the conscience in this nation which can allow itself to laugh at "humorous" references to the war in Vietnam. It is this sort of attitude which has degraded the issue to incidental, cocktail-party discussion. Your satire, in this case, eludes me.

Brad Parks
East Lansing, Mich.

Perhaps it is this sort of attitude that Beaumarchais referred to in "The Barber of Seville" when he wrote: "I hasten to laugh at everything for fear of being obliged to weep!"—Ed.

TIMOTHY LEARY'S WALLET

I just finished your article on "Dr. Tim" and thought it was great. I showed it to my fellow band members (We specialize in "trip" music) and they thought it was great, too. Incidentally, the members of my band belong to a movement known as "Happies". Unlike Hippies, Happies believe in "work" as well as fun. Gotta stay alive, y'know!

MISSION: PREDICTABLE

Apparently some TV series are particularly susceptible to the renowned "MAD Treatment." We enjoy such take-offs immensely, but regard it as a mark of distinction that you've never given our series, "Mission: Impossible", a satirical hosing. Can it be that you've laid off because our writers afford us sensible plots? You might call this inquiry "Mission: Curious" on our parts.

Martin Landau
Barbara Bain
Hollywood, Calif.

No, we've laid off because our writers haven't afforded us inane-enough plots. Until now! See page 27 of this issue!—Ed.

THE JOE NASTY SHOW

I thought your satire, "The Joe Nasty Show", was quite unfair to TV stars like Joe Pyne and Alan Burke who are, in my opinion, lovable fellows. And anyone who disagrees is a dirty Commie!

Jerry Coraz
Indianapolis, Ind.

Thanks for striking a blow against opinionated no-minds.

Wynne Taylor
North Carolina State

"The Joe Nasty Show" was the funniest article you have ever printed. I laughed so hard, my father had to threaten me in order to make me stop.

David Gross
Chicago, Ill.

I would like to commend you on your satire, "The Joe Nasty Show", but I can't. Because I can't stop laughing.

Alan Thompson
West Seneca, N. Y.

Maybe we should introduce you to David Gross's father!—Ed.

"Joe Nasty" is one of your all-time great satires. I sat and laughed over it for an hour and still chuckle when I think of it. These sadistic shows seen on TV are altogether revolting and have long deserved your critical attack. Congratulations!

Kevin Gunn

DIRTIER BY THE DOZEN

I consider "The Dirty Dozen" to be about the most sadistic, immoral (ethical, not sexual), and violence-ridden film I have ever seen, and to be utterly without redeeming social value. In making this film, the producers showed not only poor taste and judgment, but also violent anti-Americanism. Our enemies abroad could not possibly have produced a better propaganda tool to show how evil and immoral the U.S. Army and American fighting men are. I am a liberal and believe in criticizing our faults, but this movie went much too far. My congratulations and deepest appreciation to Mort Drucker, Lou Silverstone, and MAD for your wonderful satire.

T. H. Lee
Bakersfield, Calif.

Besides being witty and penetrating in its portrayal of the characters, the art was disturbingly realistic. "Dirtier By The Dozen" was one of the best movie satires I have seen in your wonderful magazine.

Larry Hollar
Rocky Ford, Colo.

"Dirtier By The Dozen" was by far the greatest take-off I have ever read. I was amazed at the talent which Lou Silverstone demonstrated in every panel, and I was flabbergasted by the brilliance displayed by Mort Drucker with each caricature. I hope these two combine forces again in future issues. MAD #116 proved once again that the "usual gang of idiots" are getting more and more idiotic every year.

Marty Aaronson
El Paso, Texas

Another victory in the war against stupidity for MAD!

Curtis Lippe
Philadelphia, Pa.

To parody a film like "The Dirty Dozen" is an extremely difficult task, and your version, "Dirtier By The Dozen", was far from the high standards your satires have maintained. "The Dirty Dozen" was, and never pretended to be anything else but, an action film. You ignored this and attacked the film for its violence and sadism. This was not being fair to a movie that never pretended to be anything else but an action film.

Dale Winogura
Los Angeles, Calif.

That's like saying we shouldn't criticize the actions of a man who never pretends to be anything else but a murderer!—Ed.

"Dirtier By The Dozen" was hilarious! Just one thing—why use all those criminally insane troops in all future military missions? Wouldn't the staff of MAD be sufficient?

Ah, the very air is filled with the scent of learning! See the teachers come now—my partners in the academic community—all eager to begin anew—to pick up where they left off last June!

It's great getting back to the kids again, isn't it, Ed?

Yeah, I haven't punched anybody all summer!

I understand you took some course over the summer, Emma! To develop your Teaching Skills?

No, my Self-Defense Skills! I studied Judo and Karate!

I really didn't expect anything like THIS!!

Neither did WE, Teach! We never ALL miss!

Ed Gidrool, I want you to give us a book report!

What's a book report, Teach?

It's a report about a book you read this Summer!

What's a book, Teach?

You're making a joke, aren't you?

What's a joke?

Oh, sit down!

Now, I know we're going to get along just fine, Class! If any of you have a problem, I want you to feel free to discuss it with me! I will be right here at my desk every morning...

... providing the person who took my desk THIS morning is kind enough to return it to me!

Miss Parrot!
This is

that?

As a Math teacher, I do problems
this way: "If you steal ten hubcaps

you teach English!

Then
why are
you

nervous!

Gee, I'm so in love with Mr. Deranger—that fiery personality—that devil-may-care attitude—that mis-cast British accent!

Then why don't you write him a note and tell him?

Don't be silly! I'm only a **Sophomore**! We haven't learned to write yet! But if you help me, I will...

Allus, in this note you sent me, you said that I was "the most handsomest man in the English Department." That sentence is **incorrect**! It should have read "the most handsomest man in the **ENTIRE** SCHOOL!"

That's the last time I'll ever learn to write!

Allus—what are you doing?!

I'm committing suicide! Mr. Deranger thinks that I'm nothing more than a stupid child! Well, I'll show him I'm not stupid! Good bye, cruel world!

I guess I **AM** pretty stupid after all! Jumping from a first-floor window doesn't kill very much! Maybe if I jumped from a higher floor?

Don't bother! You'd probably land on your head and do even **LESS** damage!

Why not make suicide a game? If a gun has **6** chambers and only **1** bullet—but you pull the trigger **6** times—?

Thank you for coming to **Open House**! Here at the John Dillinger School, we are dedicated to giving our students something they'll carry with them the rest of their lives!

You **succeeded** with my son! He's got your **twitch**!

Well, you know how kids are at that age! They'll steal **ANYTHING**!

Hi, Teach! Remember me? Joe Marone?

Oh, Joe, why won't you let me reach you! I **KNOW** I can help you if you'll only let me!

How do you know that?

Because I'm much prettier than **Sidney Pottler**!

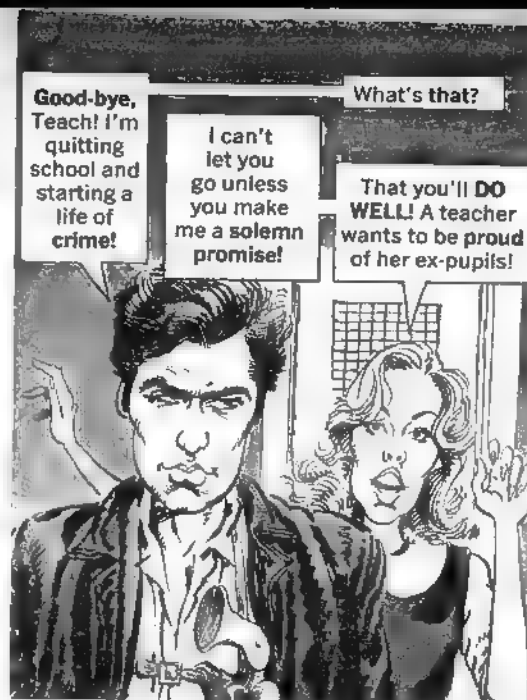

Er... you wanna bet?!

Joe, what are you doing?
Are you trying to kiss me?!

Yeah, but the way your face keeps twitching, I keep missing!

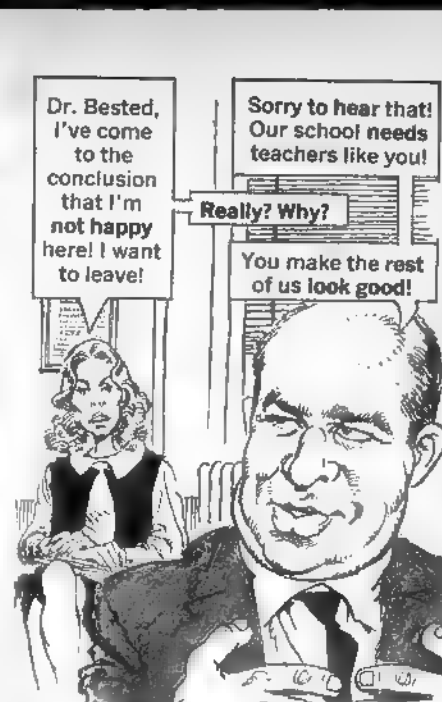

Good-bye, Teach! I'm quitting school and starting a life of crime!

I can't let you go unless you make me a solemn promise!

What's that?

That you'll **DO WELL!** A teacher wants to be proud of her ex-pupils!

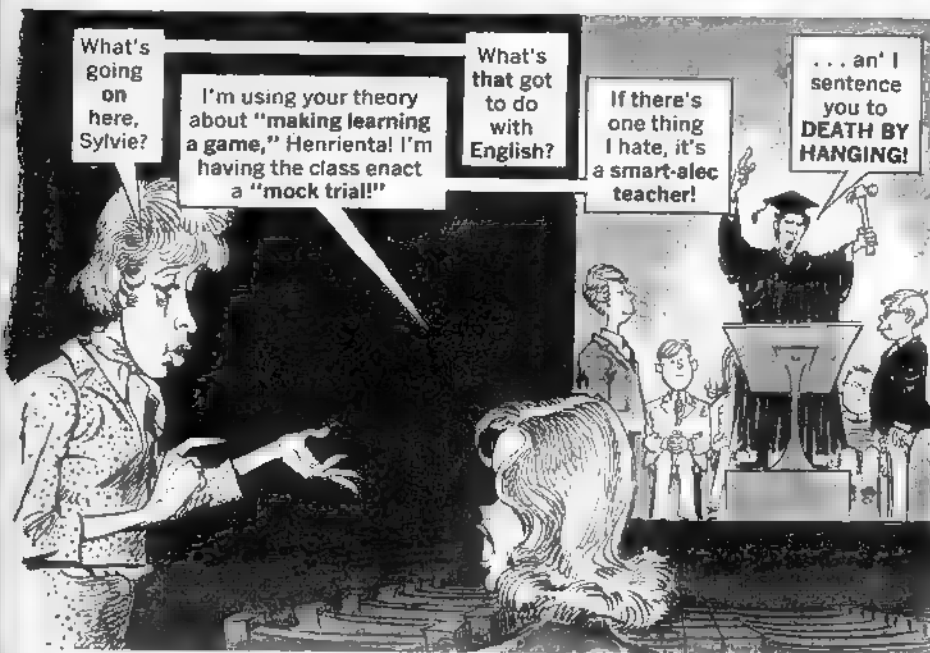

Dr. Bested, I've come to the conclusion that I'm not happy here! I want to leave!

Sorry to hear that! Our school needs teachers like you!

Really? Why?

You make the rest of us look good!

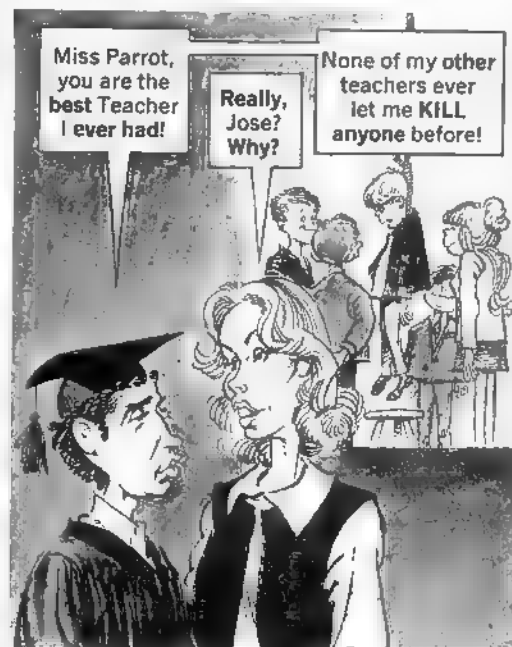

What's going on here, Sylvie?

I'm using your theory about "making learning a game," Henrietta! I'm having the class enact a "mock trial!"

What's that got to do with English?

If there's one thing I hate, it's a smart-alec teacher!

... an' I sentence you to **DEATH BY HANGING!**

Miss Parrot, you are the best Teacher I ever had!

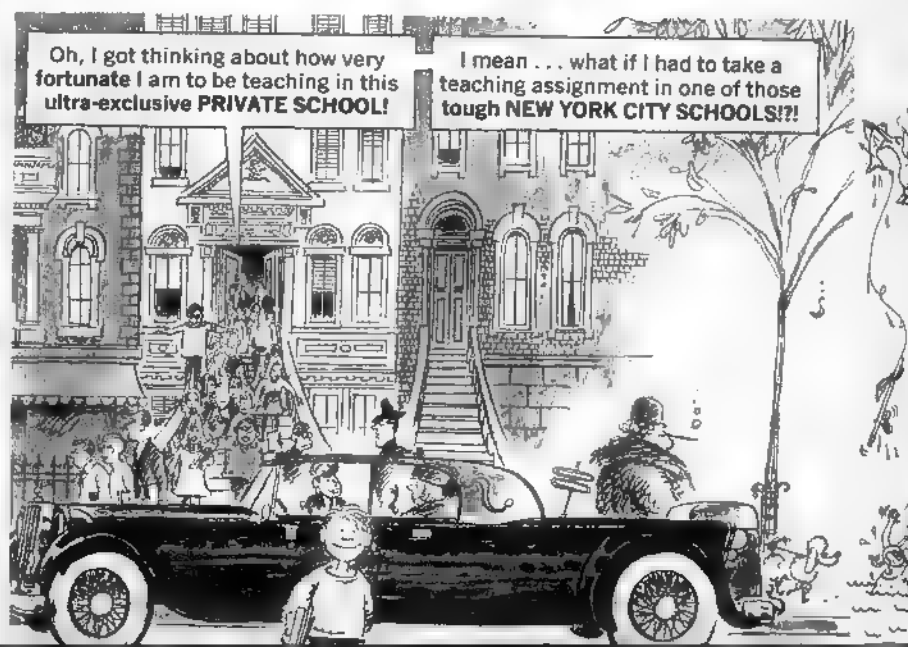

Really, Jose? Why?

None of my other teachers ever let me **KILL** anyone before!

Dr. Bested, I've decided not to quit after all!

That's too bad, Miss Parrot! What made you decide to stay?

Oh, I got thinking about how very fortunate I am to be teaching in this ultra-exclusive **PRIVATE SCHOOL!**

I mean ... what if I had to take a teaching assignment in one of those tough **NEW YORK CITY SCHOOLS!?!?**

PASSING THE BUCK DEPT.

Hi, there, fans! I'm Frank Gifted—former football star, and present announcing star—with a selection of slides and a brilliant running commentary designed to give you the whole fantastic story... including the beginning, the in-between years, the present, and the future of...

PRO FOOTBALL

From a modest beginning, Pro Football has grown into the Number One American Sport of today.

Look at this typical modern football stadium on a typical Sunday with 150,000 screaming football fans... 75,000 inside the stadium, screaming at the game... 75,000 outside the stadium, screaming at the management for selling all 75,000 seats on a "season ticket" basis!

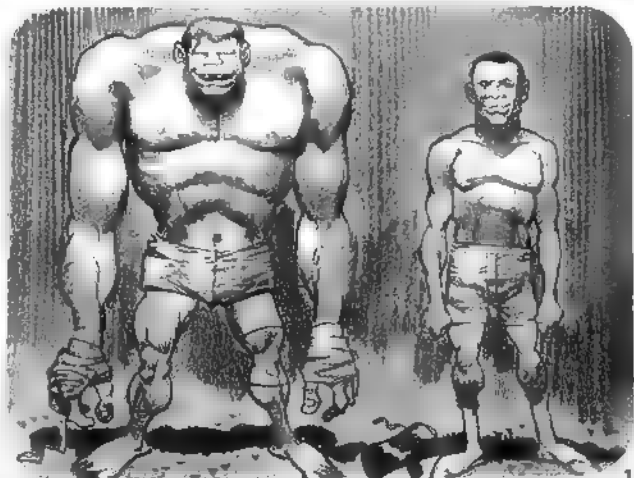

But it wasn't always like this! Pro Football has known some lean times!

For example, in the early days, the average Pro Football Player was not very impressive, physically! Here are two average men of forty years ago. The man on the left was a typical Pro Football Player! The man on the right was a typical Jockey!

But thanks to improved working conditions, higher pay, and vitamins, the Pro Football Player of today has grown to become an awesome physical specimen. Here are two average men of today. The man on the left is a Pro Football Player. The man on the right is only a Heavy-weight Boxing Champion!

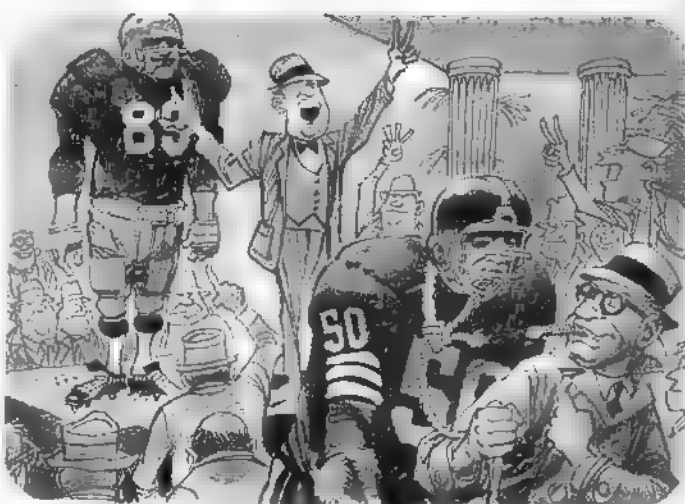

ARTIST: JACK DAVIS
WRITER: LARRY SIEGEL

Once again, we see the typical Pro Football Player of 40 years ago . . . getting paid after a game. Back then, most Pro Players averaged about \$10 a game. Today, some football stars make over 100 times as much—and that's just in college, before they turn "Professional"!

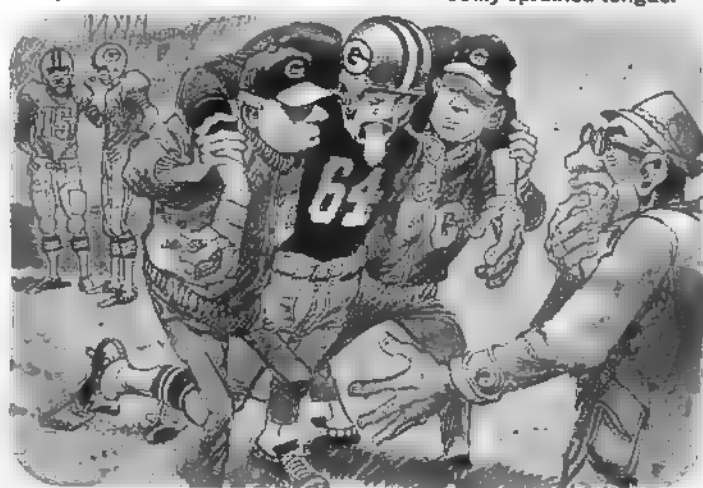

In the past, most Pro Football players were incoherent, uneducated men recruited from the ranks of ditch diggers, coal miners and disc jockeys. Today, over 90% of Pro Football Players are taken directly from college by means of the "Draft". The Draft is the democratic process that offers each college star his choice of either playing with the Pro team that drafts him—or not playing in this country!

Now, let's compare the job demands made on Players of both eras. In the old days, the Player had to maintain a killing physical pace. He had to play a full 60 minutes of every game. He had to be able to run, kick, tackle, block, pass and receive—and still have enough strength in reserve to inflate the football by mouth!

Today, with "Specialization", one man does nothing but kick off, one man does nothing but return kick offs, one man does nothing but wipe wet footballs, and one man does nothing but amuse his teammates with funny stories. Here we see Green Bay's Huddle Wit, Clyde Godzilla, out for the season with a badly sprained tongue!

In the early days, football field grandstands were crude and decrepit, fans were scarce, and money to pay players was usually raised by passing the hat. Not only was the intake small, but out of 10 times, the hat was stolen!

Today, because of the great demand for tickets, it is almost impossible to buy a seat for a regular game, and about the only way you can get a Season Box is by selling your mother! Here we see a group of new orphans enjoying a game from their newly-acquired Season Box in Yankee Stadium!

A detailed black and white political cartoon by David Coverly. The scene depicts a busy city street during the "Super Sunday" shopping event. At the top, a long banner stretches across the street reading "ONLY SEVEN MORE SHOPPING DAYS UNTIL SUPER SUNDAY". On the left, a sign says "BRING OUR BOYS HOME FOR SUPER SUNDAY". In the center background, a building has a sign that says "HOO RAY FOR SUPER SUNDAY". To the right, another sign reads "CHURCH WILL BE CLOSED ON SUPER SUNDAY". Several cars are on the road; one in the foreground is labeled "SUPER SUNDAY", and others have signs like "UNUSUAL CARS" or "SUPER SUNDAY! UNUSUAL CARS". A crowd of people is visible on the sidewalks. The cartoon is signed "COVERLY" in the bottom right corner.

YAAAAA!

EEEEK!

SCREECH!

Gee, Paul! That was fun! Let's do it again!

Yeah!

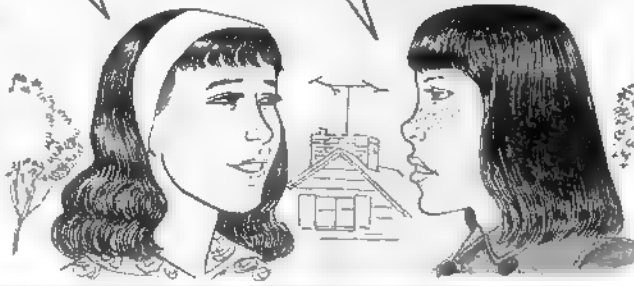

Hey, I've been watching you! You've deliberately stepped on every side-walk crack!

That's right! If I don't step on every crack, I fail my Math exam today!

This is the atomic age! How can you revert to a ridiculous superstition like that?!

You ain't heard nothin' yet! I've got a superstition for every subject! If I don't see a blue station wagon, I flunk Social Studies! If I don't get to the corner before the light turns green, I fail Biology! If I don't get to the elevator before the door closes, I fail English! And if I don't...

Y'know, I really shouldn't criticize! I've got my own weird superstition!

You, too? What's yours?

OH-OHI!

Don't let him scare you! His bark is worse than his bite!

YEOW!

I thought you said his bark is worse than his bite!

It is! Wait till you hear his bark!

FEAR

I hate shopping at the Supermarket! I'm always so afraid I'll forget something important!

We are superior to animals because we can use tools and write! So make a LIST, dumbbell!

I guess you're right! Let's see . . . I need bread, milk, coffee, detergent, fruit—What else? I just know I'm going to forget something!

SEE!! I TOLD YOU!! I KNEW I'D FORGET SOMETHING!!

How can you forget anything?! You have everything written on your list!!

THAT'S WHAT I FORGOT!!

If I don't STUDY . . . I fail every subject!

Open your mouth wide while I put this X-ray film into place! Good . . . now hold it with your finger . . .

Doc, tell me—why do you and your nurse always leave the room with that extension cord when-ever you X-ray me?

We do ■ as a precaution! Prolonged exposure to X-rays can be dangerous!

Okay, Doc . . . go ahead and shoot!

Golly, that Alfred Hitchcock is a master of suspense—the way he builds up slow terror! Like in this scene! I can hardly bring myself to look!

I know I'm acting like a silly girl, covering my eyes and peeking through my fingers! But I'm really scared! If I wasn't seeing this movie with a fellow, I'd walk right out!

Oooh! I can't look! I can't look at all, now! Larry, hold me! Hold me real tight!

I'M HOLDING! I'M HOLDING!

Huh? That's the phone!
Who would be calling
this time of night...
unless... unless it was
something very serious?!

Hello!
Hello!

Arnold? Is that you?
This is your Mother!
I had a premonition
that something is
very wrong with you!

I'll say
there's
something
very wrong!

I knew it!
I knew ■
in my bones!
What is it?

You just scared the
beeejebers out of
me with this phone
call in the middle
of the night!

Talk about "Hero-Worship", this new girl
friend of mine thinks I'm the bravest
man that ever lived. During a storm, she
became frightened, and asked me if I
was afraid of thunder and lightning
... and I told her, "No!"

So then she asked me if I was afraid
of other things like snakes, or high
places, or sudden noises, or flying
in an airplane, or being locked up in
an enclosed place, or going to the
dentist. Of course, I told her, "No!"

She was amazed. She said that everybody
has some weakness... some breaking point
... and here, I have none! But between
you and me, there's only ONE thing that
really TERRIFIES ME!

What's that?

Hey! It's
not just in
our house
that the
lights went
out! It's
the whole
block!

I don't want to frighten
you any more than you are,
dear, but I just heard on
the transistor radio that
the whole city is blacked
out! In fact the whole
state... and nine other
states besides!

Oh, my gosh! It's
a catastrophe!
SABOTAGE! That's
what it is! Those
Russians did it so
they could ruin
our economy, and—

Calm down, dear! I'm
sure it's really not
that serious! Those
Russians are much
too busy trying to
reach our standard
of living to bother!

Then it's those
**INSANE RED
CHINESE!** They
did it to create
confusion and
panic and ruin
our Democracy!

No, dear! Calm down!
It really can't be
that serious! Those
Red Chinese are too
involved in their
own internal problems
to bother us now!

Gee, this is such an
intellectual, well-
informed crowd! I'm
so afraid I'll say
the wrong thing and
make a complete
fool of myself!

Just follow one rule:
if you have nothing to
say, don't say it! Just
speak about the things
you know about! Like
cooking! You're an
expert on that!

And what
about the
problems
of Turkey—
and Greece?!

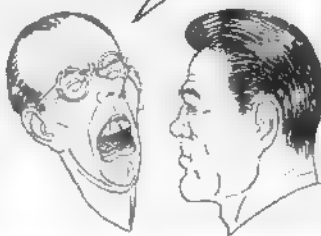

Oh, I have
a very strong
opinion on
that subject!

When roasting a
turkey, excess
grease should be
spooned off
periodically!
While basting,
preferably...

Did you have to mention "getting a shot"?! You just gave me the willies! The very sight of a hypo-dermic needle turns me into a bowl of Jello!

My wife has to drag me forcibly to the doctor! Then the nurse, using all of her strength, has to hold me! I usually scream like a baby and faint dead away!

Let's face it, when comes to getting a shot, I'm just a yellow-bellied coward!

Never mind all that now! There's the signal to go!

That someday, she'll find out what a LIAR I am!

Oh, boy, am I in for it! I'm late for supper! I was supposed to be home by six, and it's six-thirty! Now, Mom is gonna yell and scream, and take television away from me for a month!

Oh, so you're home!

H-here it comes!

I'm sorry, dear, but supper is a little late tonight!

Watch television, meanwhile!

Good Lord, it's them FLYING SAUCERS! A race from another planet did it as a first step toward an eventual invasion!

Come, now, dear! It's not that serious! You've been watching too many Science Fiction TV shows!

Sure! That's it! Don't you see? By shutting off our electricity, all our refrigerated foods will spoil and we'll starve to death!

REFRIGERATED FOODS?! OH, MY GOSH!

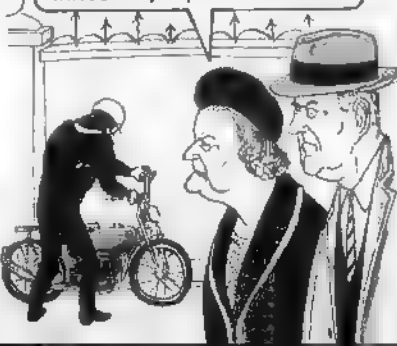

TH-THE ICE BOX CAKE I MADE FOR MY BRIDGE CLUB TOMORROW WILL BE RUINED! THIS IS SERIOUS!!

You know what terrifies me? Those Black-Leather-Jacketed motorcyclists—like that one over there!

They're immature, anti-social creatures who cannot cope with society, so they wage war upon innocent people—like us...

Oh-oh! He's coming toward us, Martin! I'm—I'm AFRAID!!

I beg your pardon, but could you please direct me to the Maryknoll Seminary?

MAD VALENTINES

ARTIST: JACK RICKARD

To H. Rap Brown

You walk along a city street
That's filled with peace and quiet;
Before you're through, you've helped to start
A full-scale bloody riot;
You leave a trail of burned-out homes,
Of people forming breadlines;
But what the hell! Why should you care
So long as you get headlines!

To Joey Bishop

Whatever night your show is on
There's one thing certain we know—
That you'll remind us you are pals
With Sammy, Frank and Dino;
You must know things to talk about,
If we may be so candid,
That bore us less than all those tales
Of what your precious Clan did!

TO THE BEATLES

Your "Sergeant Pepper" is a smash;
Your loyal fans defend it;
We've even heard a few of them
Maintain they comprehend it;
We know you guys would like to build
Good will between our nations;
So next time won't you please provide
American translations?

a very kindly view toward celebrities, even when they rub us the wrong way. To prove our point, this year we're showing our affection by sending out these . . .

WRITER: FRANK JACOBS

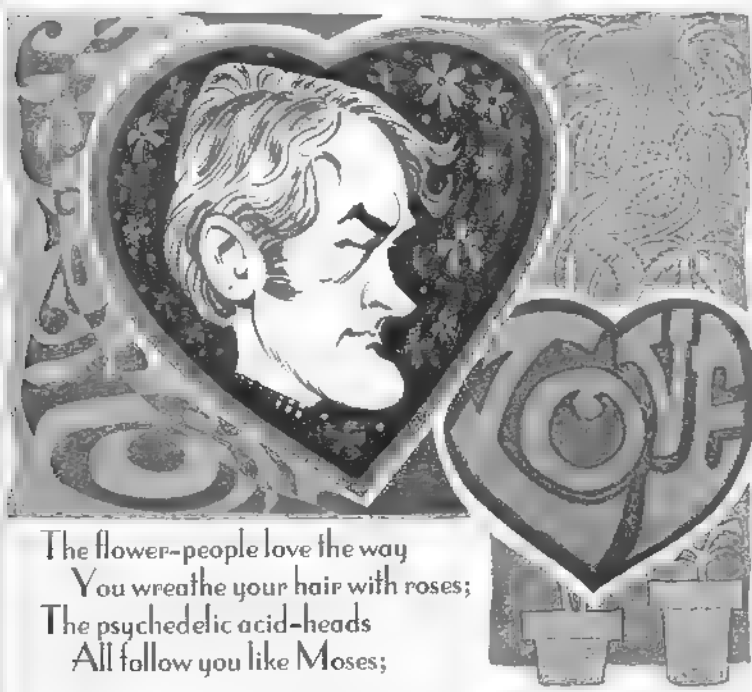

To Alan Burke & Joe Pyne

*For blabbing that's a vulgar bore
And manners that are spiteful,
We know that we can tune you in
And have a solid nightful;*

*It's not your fault you act this way,
So don't think we dislike you;
What other jobs could you both do
With just a 30 I.Q.?*

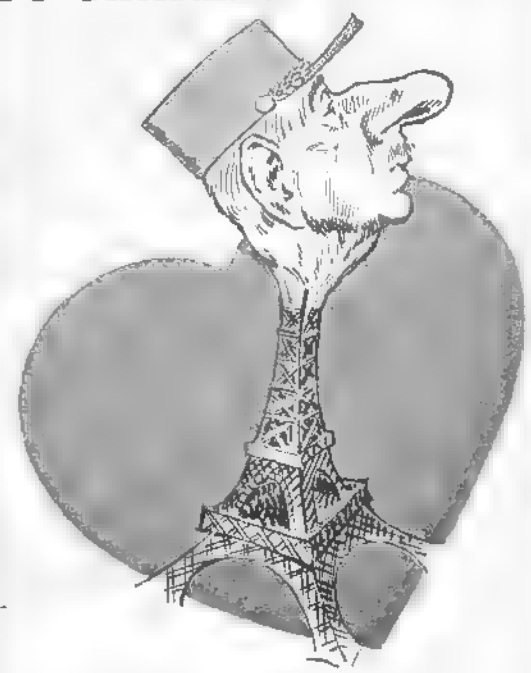

to DR. timothy leary

*The flower-people love the way
You wreathe your hair with roses;
The psychedelic acid-heads
All follow you like Moses;*

*The freaked-out hippies chant your name
Amid their dirt and squalor;
What better proof do people need
That you're a noted scholar?*

TO CHARLES DE GAULLE

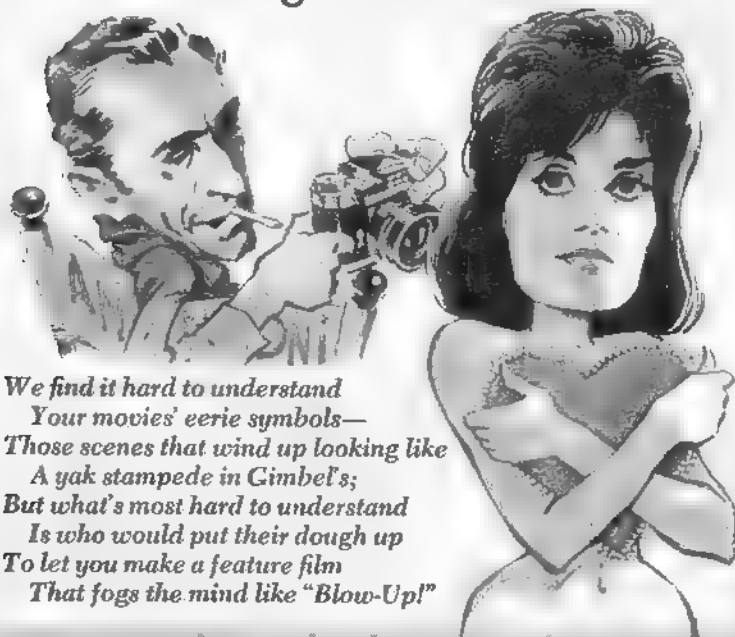

*You double-crossed your NATO pals;
You finked on Western Europe;
And then you came to Canada
To see what you could stir up;
Now that you've proved how great you are
At causing repercussions;
We wish you'd turn your big nose east
And go louse up the Russians!*

To Twiggy

*Your eyes possess a vacant stare;
The words you speak sound Cockneyed;
Your posture's poor; your shoulders slump;
Your legs are lean and knock-kneed;
Should fashion leaders ever shun
Your frame so gaunt and fatless,
Try posing as that skinny guy
Who writes in to Charles Atlas!*

To Michelangelo Antonioni

*We find it hard to understand
Your movies' eerie symbols—
Those scenes that wind up looking like
A yak stampede in Gimbel's;
But what's most hard to understand
Is who would put their dough up
To let you make a feature film
That fogs the mind like "Blow-Up!"*

To (Princess) Lee Radziwill

*We're glad that you've turned actress, dear,
That you've reached instant stardom;
So what if critics aren't polite—
It's just because they are dumb;
With each new role you undertake
You should feel brave and gallant
To know that you have made it big
On nothing but sheer talent!*

TO WILBERT B. YULVEY

*Your wife and you have fights at night,
The screaming lasts for hours,
And just last week that mutt of yours
Ate up a bed of flowers,
We know you're no celebrity—
And this we won't belabor,
We're forced to print this card 'cause you're
The Publisher's new neighbor!*

TO SCHEME THE IMPOSSIBLE SCHEME DEPT.

HERE WE GO WITH MAD'S VERSION OF THE TV SERIES THAT STARTS OFF EACH WEEK LIKE THIS:

Good evening, Mr. Phelts. Thank you for pushing the "message" button. When you hear this week's assignment, you'll be sorry you didn't push the "Coke" button. Mainly because this is another—

MISSION: RIDICULOUS

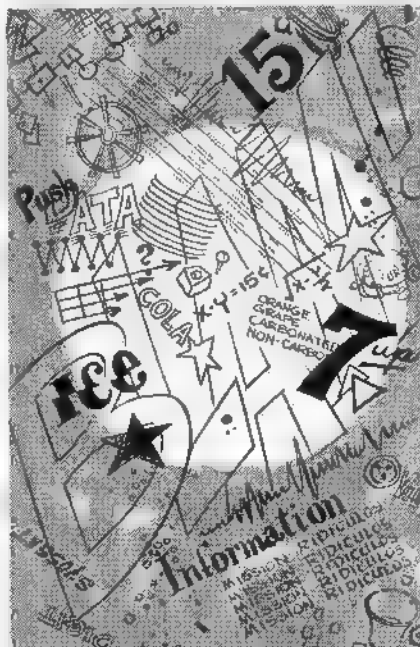

A valuable roll of microfilm has been stolen from the laboratory of Dr. Demetrius Ermo, the famous microfilm-maker. Your job is to recover that film, rush it over to a drugstore to be developed, and then turn it over to the U. S. I. A. All we know is that the film is somewhere in the state of Maine, it is so valuable that you and your team will be killed the minute anyone learns you are trying to retrieve it, and that you have only 52 television minutes left to do the job. So get going!

ARTIST: MORT DRUCKER

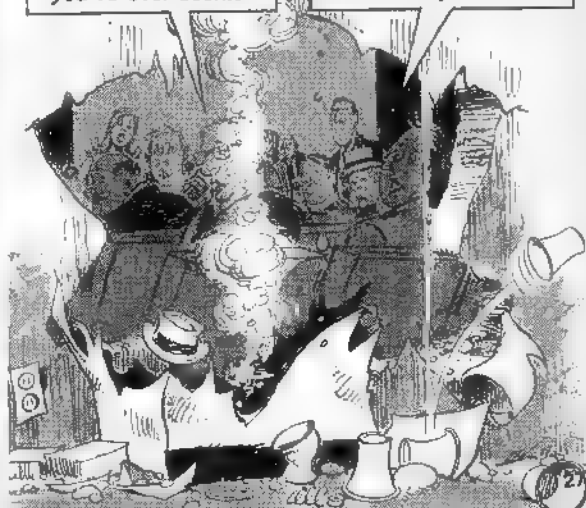

WRITER: DICK DE BARTOLO

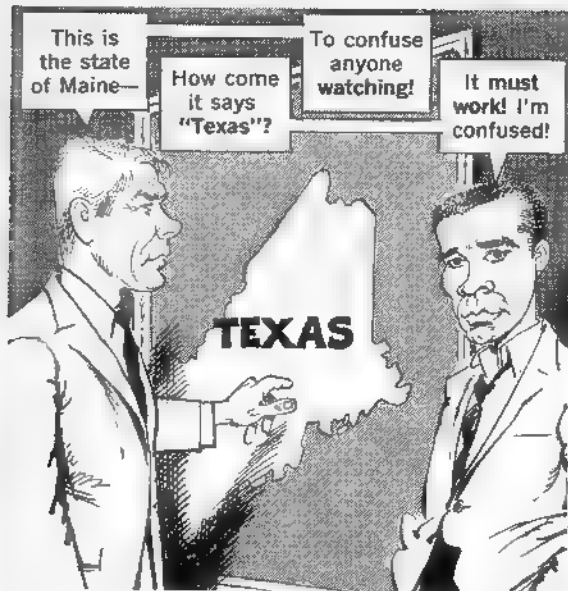

As usual, at the end of this message, this recording will discreetly destroy itself. So, step back! Bye, now...

That Coke machine just blew itself up! Isn't that the most suspicious thing you've ever seen?

Not really! They once got an assignment from a hydrant on High St. which dissolved itself immediately afterward!

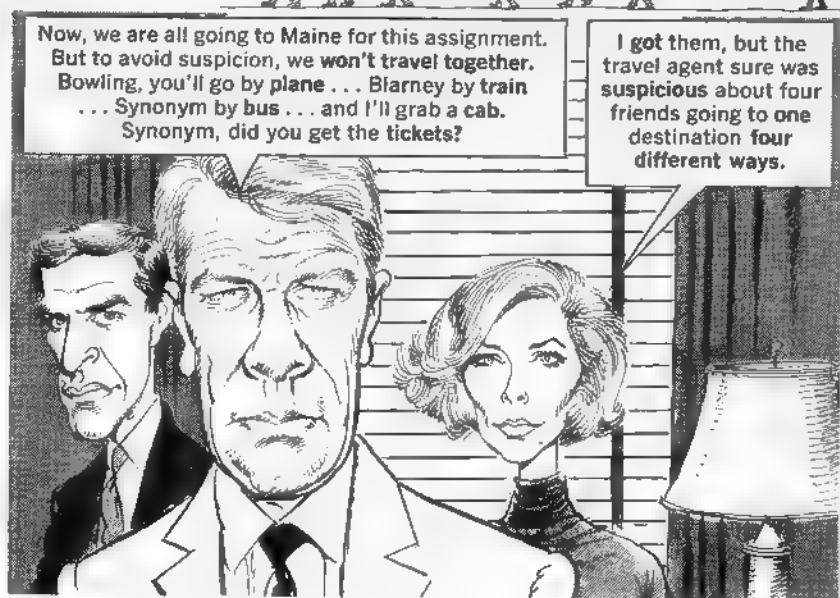

This is the state of Maine—

How come it says "Texas"?

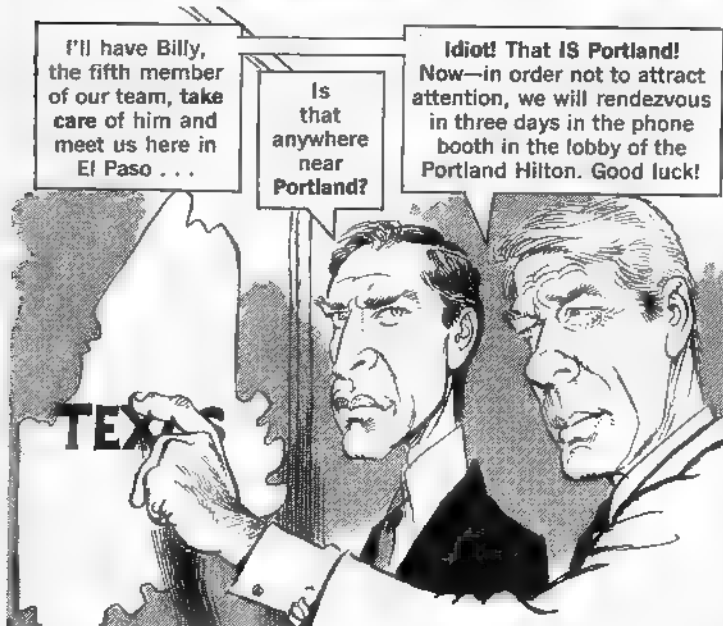

To confuse anyone watching!

It must work! I'm confused!

Now, we are all going to Maine for this assignment. But to avoid suspicion, we won't travel together. Bowling, you'll go by plane . . . Blarney by train . . . Synonym by bus . . . and I'll grab a cab. Synonym, did you get the tickets?

I got them, but the travel agent sure was suspicious about four friends going to one destination four different ways.

I'll have Billy, the fifth member of our team, take care of him and meet us here in El Paso . . .

Is that anywhere near Portland?

Idiot! That IS Portland! Now—in order not to attract attention, we will rendezvous in three days in the phone booth in the lobby of the Portland Hilton. Good luck!

Here we are . . . and the fare is \$3,466.75. You know, this is the most suspicious thing I've ever heard of . . . taking a cab from Los Angeles to Maine! What are you, some kind of secret agent?

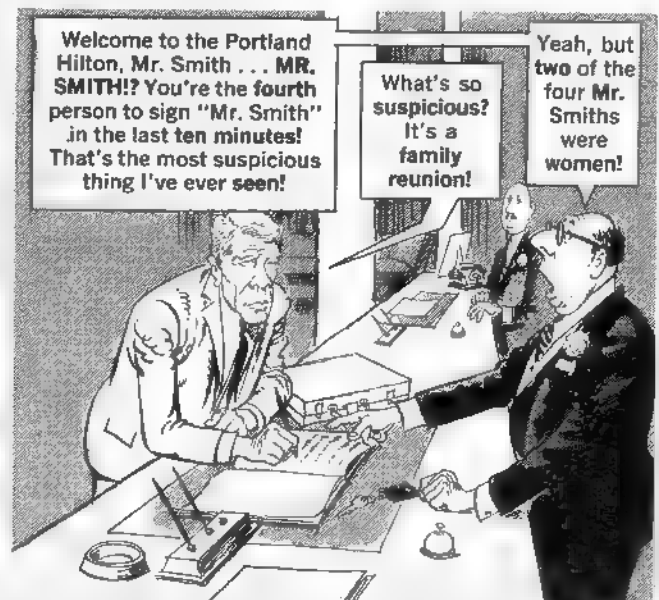

No, I'm some kind of secret nut!

Cigars . . . cigarettes . . . clues! Cigars . . . cigarettes . . . clues!

Why, Synonym! What a fantastic disguise!

You have no idea HOW fantastic . . . considering I'm not Synonym! I'm Billy, the strong man of this team! We couldn't find an empty phone booth, so sign the hotel register with a phony name and come up to room 1313 . . .

Welcome to the Portland Hilton, Mr. Smith . . . MR. SMITH! You're the fourth person to sign "Mr. Smith" in the last ten minutes! That's the most suspicious thing I've ever seen!

What's so suspicious? It's a family reunion!

Yeah, but two of the four Mr. Smiths were women!

Glad you all made it. Now we can get down to business! Did you notice anything peculiar in the hotel register?

You mean all the "Mister Smiths"?

Besides that! A "Dr. Demetrius Emo" checked in today and listed his occupation as "top-secret micro-film-maker"!

Yes, but how can we be sure it's the same Dr. Demetrius Emo, top-secret micro-film-maker, we're looking for? There may be hundreds of them!

By checking his room! Only we've got to think of some clever way to find out which room he's in!

Leave that to me! Hello, Room Service? This is Dr. Demetrius Emo. If I told you to bring a bottle of wine to my room, which room would you bring it to? What do you mean, that's the most suspicious thing you've ever heard? That's a perfectly legitimate question!!

Uh-huh! Yes! I see—That's 1934! Thank you!

That was brilliant! So Dr. Emo is in room 1934!

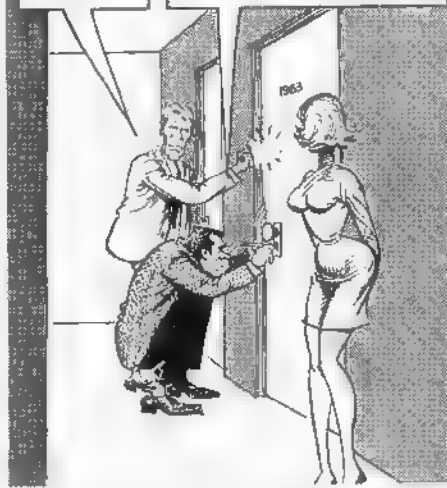

No, 1934 is the year of the wine! An excellent year! Dr. Emo, on the other hand, is in room 1963, which may be a respectable enough room, but an awful year for wine!

There's no answer! Blarney, can you open this door?

Just watch! First, I take my handkerchief, unfold it, and slip it under the door. Then, I take a pencil and push it through the keyhole—

The key inside falls onto the handkerchief and I pull them both from under the door! Easy, huh?

Great! Only there's a much easier way! First we try the door to see if it's unlocked... which it is, you idiot!

Look! It's Dr. Emo! And he's dead!

Maybe he's just sleeping!

If he were just sleeping, he'd be on the bed!

Listen! Somebody's coming down the hall! Quick! Get inside!

Who's there?

Room Service, Dr. Emo! I have your bottle of wine!

Good! Slip it under the door!

It won't fit under the door, sir!

Then POUR it under the door!

Yes, sir!

But if you don't mind my saying so, sir—this is the most suspicious thing I've ever done in my life!

Don't worry! I have a straw!

Whew! Thank heavens he's gone!

Hey! Listen to this tape recorder!

... undt if "E" equals "MC squared" zen ze force is multiplied by ze base ...

That's a recording of Dr. Emo's famous speech on "Nuclear Fusion of Heavy Titanium with Denatured Plutonium and its Resultant Atomic Implosion" which he delivered to the Girl Scouts last January ...

The Doctor's voice!! Say, I have an idea. Why not cut the tape into its individual words and put it back together again to make a normal conversation?

Got you!! Then we can play the tape at a crucial moment, and it will look like the Doctor is still alive!

But only from the back! Okay, get to work on it while Bowling and I discreetly spread the word about Dr. Emo!

Hey, when you're done up there, go to Dr. Emo's room! His night light burned out!

I understand that Dr. Emo is feeling just fine!

I can't hear you over the vacuum! What did you say about Dr. Emo?

I said, "Dr. Emo is feeling just fine!" He's alive and well again!

That's the most suspicious conversation I've heard in my whole life!

Okay, I'm finished splicing the tape! Listen—

Goot evening, girls! It iss a brand nu-clear day ... perfect for goink—fission!

If you close your eyes, does it sound like Dr. Emo talking normally?

Only if I also close my ears!

KNOCK! KNOCK!

Wait! Someone is at the door again!

It's me, Emo—your friend. Nogoodnick! Open up ...

Quick! Give me that sheet! I'll try to fool him into thinking I'm Dr. Emo! You hide in the closet with Dr. Emo's body!

Listen—this is supposed to be "Mission: RIDICULOUS" ... not "Mission: DISGUSTING"!

Come in! Come in! I vas chust taking a shower—

Do you always cover yourself with a sheet after a shower?

Of course! who vood be foolish enough to cover zemselves vit a sheet BEFORE a shower?

That's the most suspicious thing I have ever seen!

What!? Me, walking around in a sheet?

No—you, walking around! Because I killed you and took the microfilm less than an hour ago!

So it was YOU with the knife!

Yes, and now it's me with the GUN! Ta-ta!

Speak to me! Are you okay?

Certainly! I was wearing my bullet-proof underwear! Now that we know everything, signal Bowling and Synonym to intercept that nogoodnick, Nogoodnick, in the lobby!

Hey, Bowling! Synonym! Try to intercept that nogood—

Don't YELL down! Use the secret Flower-Phone!

Bowling? Synonym? Report, please—

Hey, I don't hear anything but a buzzing sound!!

That's a bee you hear! The OTHER vase is the Flower-Phone, you idiot!

Bowling? This is Blarney! There'll be a man coming into the lobby any moment. You'll know him by his medium height, checkered suit, and smoking revolver. He has the microfilm in his attache case, so use the "switch play" on him!

Got you, Blarney! Use the "switch play" on him...

Look, Emma—a man talking to a flower vase! Isn't that the most suspicious thing you've ever seen?

Why? The flower vase is answering him, isn't it?

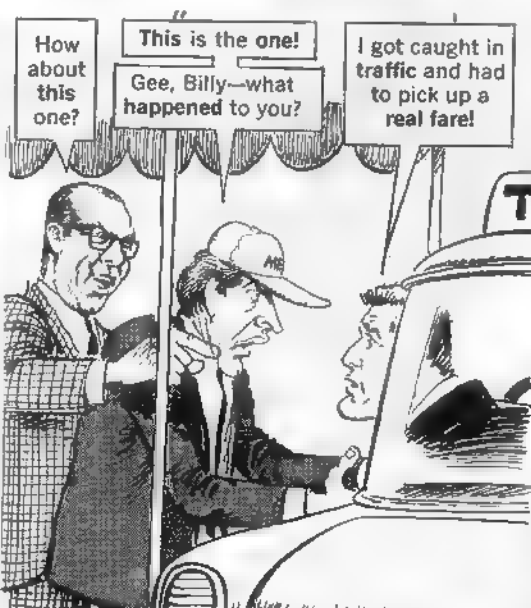

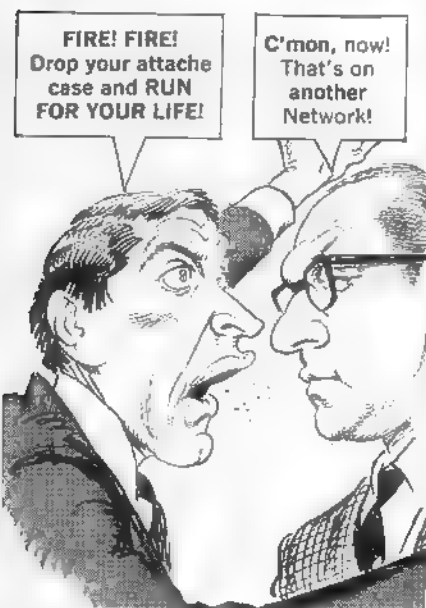

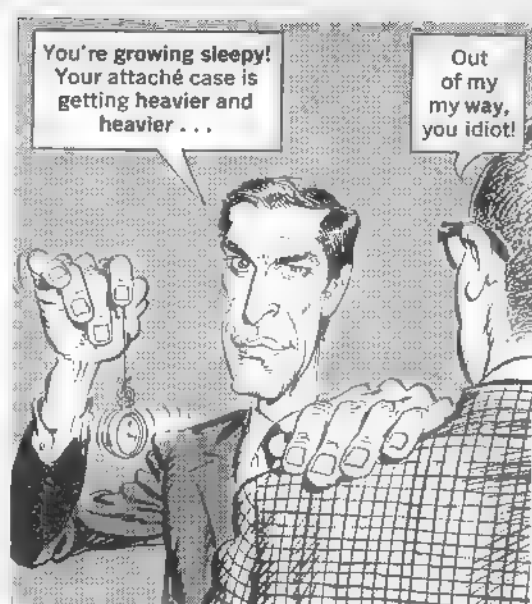

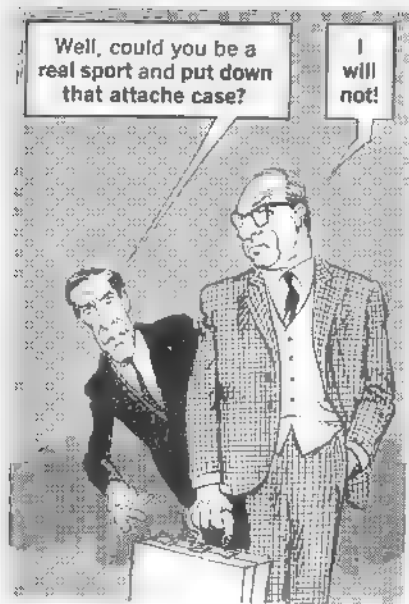

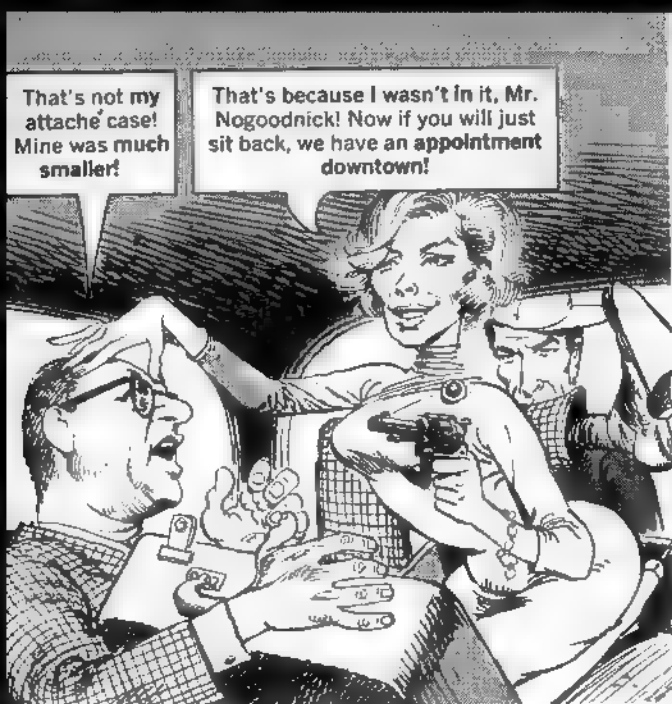

Here he comes! Okay—go to work...

Er—pardon me, sir... do you have change for a Series E Savings bond?

No, I'm sorry!

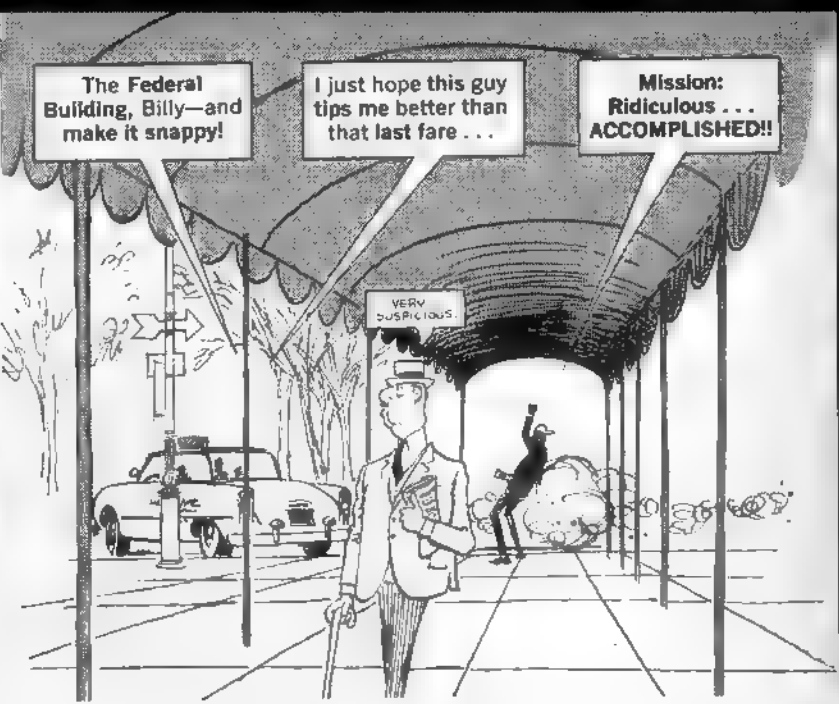

That's not my
attache' case!
Mine was much
smaller!

That's because I wasn't in it, Mr.
Nogoodnick! Now if you will just
sit back, we have an appointment
downtown!

The Federal
Building, Billy—and
make it snappy!

I just hope this guy
tips me better than
that last fare ...

Mission:
Ridiculous ...
ACCOMPLISHED!!

Well,
we
did
it
again!

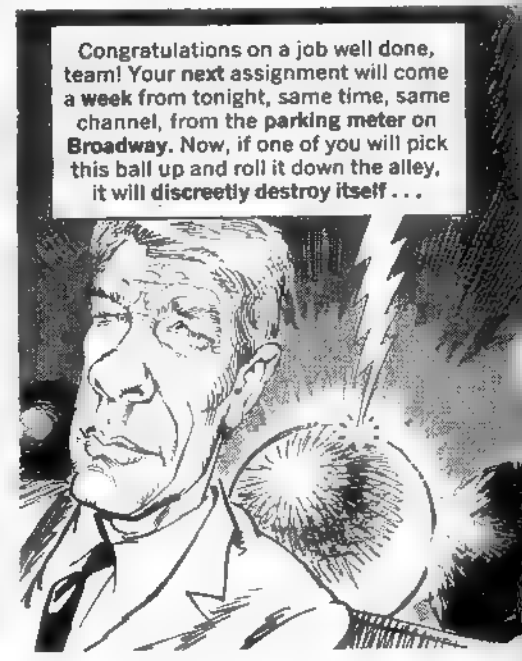

We sure did ...
and I guess the
Chief wants to
congratulate us
again as usual!

He sure picks the
craziest places to
deliver his secret
messages! Now this
—a bowling alley?

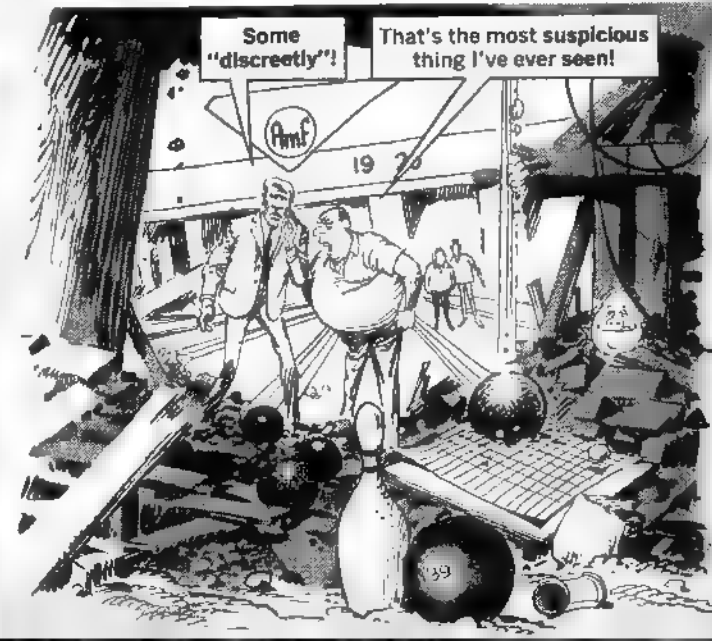

You five have
been sitting
around for an
hour! Don't you
want to bowl?

No, thanks! We just
came here to talk to
one of the balls ...

Oops! It's lighting
up now! Go ahead, Chief!

Congratulations on a job well done,
team! Your next assignment will come
a week from tonight, same time, same
channel, from the parking meter on
Broadway. Now, if one of you will pick
this ball up and roll it down the alley,
it will discreetly destroy itself ...

Some
"discreetly"!

That's the most suspicious
thing I've ever seen!

A kid is physically unsafe and actually takes his life in his hands when he goes on any city street:

There is very little gasoline exhaust fumes and incinerator smoke fouling the suburban atmosphere:

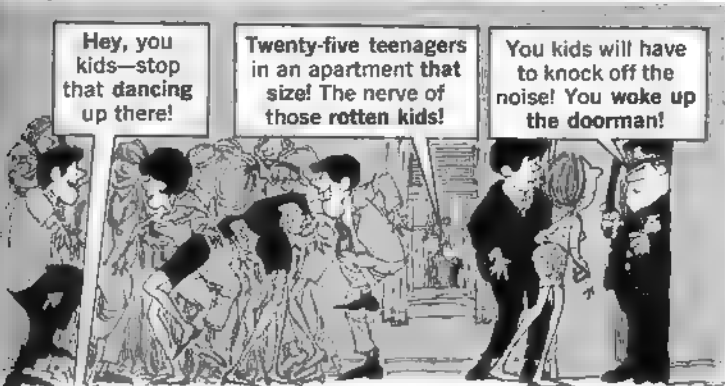

Since there is very little mugging and traffic on suburban streets, a kid is physically much safer:

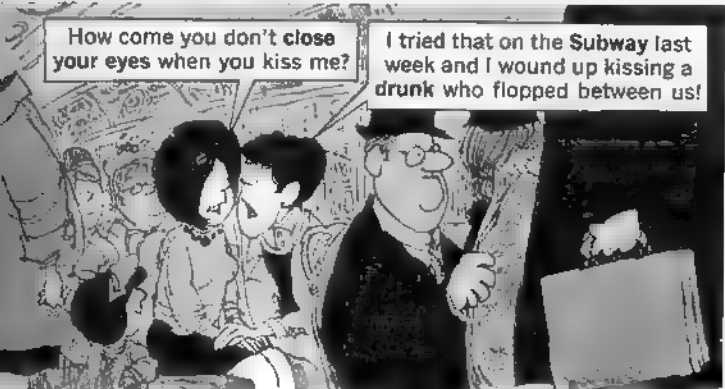

Apartments in the city are usually very small, so there is little room for the kids to play in them:

STORY

I DISCOVERED A WILD NEW VIBRATION

by Raga Hotchkiss

I had been one of the original "flower-children". I had put my parents down when I was 2, gone into retreat at 2½, and blown my mind on "LSD-Pabulum" at 3.

I had meditated on every mountain, including Mt. Vesuvius—where I'd grooved a minor eruption while shouting "Sock It To Me, Baby!" I had "switched on" and "found my thing" with the great Hippie Philosophers, like Soerates and Nietzsche and Buddha—not only reading them, but *dating* them as well! (I was on uncut morphine at that time!)

I had grooved on STP tabs, tripped on LSD, flown on hashish, smoked bananas, and inhaled the glue from airplanes! Real airplanes! TWA jets! While they were still in flight!

I had even freaked out on the 29th flavor at the Haight-Ashbury Howard Johnson's!

I had done it all! Seen it all! Now, at 15, I was ready for wilder, more mature kicks. I was seeking ■ brand new trip, elsewhere. And then, suddenly, one day I found it.

Suddenly, one day, I felt this WILD, NEW, FAR-OUT, MIND-BLOWING VIBRATION.

You see, I was walking barefoot through Tompkins Square Park in the rain at the time. I was wearing strand upon strand of those little metallic beads around my neck, and string upon string of those little metallic bells around my feet. And suddenly, there was this ear-splitting *clap of thunder*, like, right over my head... and this *blinding lightning flash*!

Before I knew it, I was (CONT. ON PAGE 57)

Each issue, Abba Bennadam answers the questions of the uptight, the turned-on, the freaked-out, the hung-up and the far-mished. Abba Bennadam is a Mystic, a Seer, a Prophet, a Poet, a Free-Thinker and an Aluminum Storm Door Salesman. Abba Bennadam is also a very wise man. Because he realizes that you can't make a living as a Mystic, a Seer, a Prophet, a Poet or a Free-Thinker . . . only as an Aluminum Storm Door Salesman.

Dear Abba:

I am planning to take my first mind-expanding "trip". But I have been warned that LSD is habit-forming. Is this true?

Bugged

San Francisco, Cal.

Dear Bugged:

I have been taking mind-expanding LSD trips every day for the past 11 years, and I haven't found it habit-forming.

Dear Abba:

Like, I am hip. Can you help me. I am looking for some wild new vibration. I would prefer something relating to the Far Eastern cults. Do you have any suggestions?

Dear Abba:

Cherry Grove, N. Y.

Dear Worried:

Ordinarily, no. But in your case, Sir, there may be some complications.

Dear Abba:

I have tuned in on a wild new emotional trip and I think it's wonderful. Dear Abba:

Our teenage son has run away from our Bleeker Street pad and is now living in a split-level house in suburban Larchmont, where he is taking trips in a 1968 Ford Mustang, dressing in the latest "Mod" fashions, and, worst of all, working for money to pay for these things. Where did we go wrong?

Strung Out

Greenwich Village, N. Y.

Dear Strung-Out:

You wiggled out somewhere along the line. If you'd provided him with a normal, dirty, loft environment, shown an interest in his free-love problems, and supplied him with the things he really needed, like hashish and STP pills, perhaps he wouldn't have split the scene for ■ rebellious life in suburbia.

IN THE WAY OF EXPLANATION
READER: "Uptight" means, like, a bad scene. It's when you're hung up, or wigged out, or you can't make it. We all get "uptight" once in a while. Here are some grooving examples of "uptight":
FOR THE NON-HIPPIE

"UPTIGHT" IS A DRY SUGAR CUBE

by Abu
 Schulz

UPTIGHT is...

... seeing lilies-of-the-valley sprout from the Marijuana seeds you planted.

UPTIGHT is...

... having the light go out on the "joint" ... just as it gets to you.

UPTIGHT is...

... walking along the Berkeley campus and bumping into Gov. Ronald Reagan.

UPTIGHT is...

... looking around and seeing Bert Parks at your "pot" party.

UPTIGHT is...

... discovering that the flower you've been carrying in your hand for two months is actually poison sumac.

UPTIGHT is...

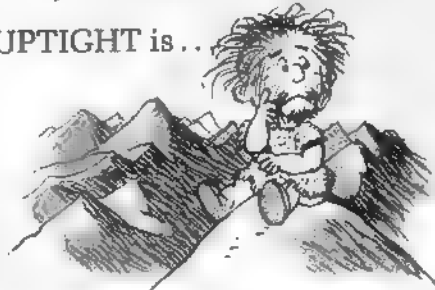

... taking an LSD trip and seeing "The Mormon Tabernacle Choir".

UPTIGHT is...

... finding out that Toledo Ohio is "... where it's at!"

UPTIGHT is...

... climbing a mountain in Tibet to meditate, and then forgetting what you went up there for.

UPTIGHT is...

... saying "Sock it to me, baby!" and then discovering it's Mohammad Ali.

UPTIGHT is...

... discovering the flowers in your hair attract wasps.

UPTIGHT is...

... carrying the "papoose" on your back for twenty blocks, and then turning around and discovering there ain't no baby.

UPTIGHT is...

... contemplating your navel while on LSD, and watching as your appendix starts coming out of it.

WHAT THEY ARE SAYING

Philosophical Gems Overheard
In Hippie Communities

Omar Ferdlip

FREE-LANCE HEDONIST

... upon his return to the Haight-Ashbury scene after spending fourteen months meditating by himself on the top of Mount Shasta in California:

"Daisies have become the major force in my life!"

Shah Bernbaum

PROFESSIONAL HIPPIE

... after being stopped by a tourist who gazed at his shredded Army coat, the garland of petunias in his hair, the filth on his bare feet, the spittle on his lips and the mud in his beard—and then asked him what he was trying to prove, just shrugged and said:

"All I can do is try to be beautiful!"

Samantha Gurney

TOPLESS FREE-VERSE POET

... after being discovered living in the third floor bathroom linen closet of the East Village Y.M.C.A., and was asked by cops how come she was there:

"Man, everybody has got to be someplace!"

Ecstasy Wainwright

FULL-TIME DROP-OUT FROM LIFE

... after being told that his father had just been elected President of a giant corporation with a salary of \$175,000-a-year, plus ■ \$100,000 stock-option plan, an unlimited expense account, a luxurious \$80,000 home and a new company-owned car:

"Like, that's HIS hang-up!"

Myron The Messiah

PROPHET AND FLUTE REPAIRMAN

... asked why he had pelted National Guard Troops with flowers during a riot, and then set fire to himself in protest by leaping barefoot into the steaming hot-fat-vats of a Chicken Delight delivery truck, just smiled:

"Look... that just happens to be my thing!"

Moses M. Stash

UNEMPLOYED RAGA COMPOSER AND DRIFTER

... while passing through a typical square suburban community and seeing a well-groomed teenage boy and a modestly-dressed teenage girl holding hands and gazing at each other while sipping sodas at a corner drug store:

"Lord, what is happening to our youth today?!"

Hippie Happenings

What's Grooving
Around Hippie Communities
by Charisma Berkowitz
WHO TELLS IT LIKE IT IS

WILD SIGHTS ABOUT TOWN: SAHIB NESBIT drilling a hole in his cranium. He's looking for a permanent turn-on... SINAI BOTCHKINS, at a Hindu "happening", trying to quote the Guru with a mouthful of Hashish... SAMANTHA SACKS and DESDEMONA TRESS pelting each other with pussy willows, and breaking out in a rash... Hippie cut-up RAMA DOUD, trying for laughs by emptying a sack of Farina on SITAR TWEEDY while shouting "Flour Power!" (He didn't get any!)... ANGIE THE OX, SALLY THE SLOB, MURRAY THE UNCLEAN, RIVA THE RAGGED and CHICKIE THE FUZZ among the "Beautiful People" strolling barefoot through the scene.

FURD FLACCID is being consoled by friends after returning from a "bad trip". Not a bad LSD trip. Furd went home to visit his family... MADMAN MILLBURN, looking for new kicks, tried injecting alphabet soup in his veins and broke out in four-letter words... WILLIE THE WANDERER moved from his loft on Bleeker Street and is now living in a garbage can in Tompkins Square Park. And the best thing is he only has to share it with two other Hippies... KORAN CALIBASH finally took a haircut. He had it trimmed right up to his shoulders... DRACHMA THE DIGGER has made arrangements for starving N. Y. Hippies to receive food packages from Vietnam War Orphans. Good grooving, Drachma!

DIP YOUR PEN IN ACID, and write to the following shut-ins: JOJO BOTTOMSLEY, recuperating in his pad. JoJo tried to smoke a banana the hard way. While it was still in the Gorilla's mouth!... Also to RASHA NASHER, who took a double dose of LSD so he'd be sure to make a "round-trip"... Also to BABYJANE FLAUM, who got a hernia carrying the papoose on her back. Seems the baby wasn't in it, but her old man was!... Also to the 47 Hippies who were hurt in that terrible crash. Their bed collapsed!... Also to MARA, MAJA and SHAH, three local "tripsters" who took LSD together and saw MANNY, MOE and SHEMP—The Three Stooges! Man, what a bad trip!

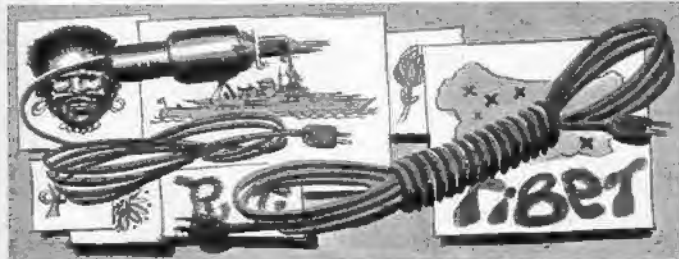

MONK ROSNER, Raga Flute Player is going into retreat to contemplate Robert Goulet... NIRVANA NUSSBAUM is planning to run for President on the "Like" ticket. Seems he isn't popular enough yet to run on the "Love" ticket... MOGID REILLY is putting the finishing touches on his new book: "How To Live in Haight-Ashbury on \$15.00 a Year"... Orchids to Raga Rock Composer SCIMITAR BUNNIGER! Not that he's doing such a good job on his music. It's just that he loves to wear them in his hair... **ADD TO OUR "LOOK-ALIKES":** NORMA ZILCH, swinging new East Village teeny-bopper runaway from Great Neck, L. I. and ALLEN GINSBERG... **RUMOR OF THE MONTH:** Smoking pot will become legal. The hang-up is: getting high will be outlawed!

My Most Unforgettable Hippie

by Llama Landau

He was out of sight! He was tuned in on the ultimate vibration! He was turned on to the wildest bag possible! He was the hippest Hippie! He spiritualized everything the true Hippie stands for... peace, love, gentleness and a return to nature. No longer would he pursue the fast buck, or strive for the Madison Avenue concept of happiness, or rot in the suburban-conformist swamp, or support the PTA, or attend the local Church, or kowtow to the Local Draft Board, or participate in Little League. No longer would he suffer the hang-up of the never-ending middle-class drive to produce, produce, produce and succeed, succeed, succeed. He had wiggled out on all that!

Instead, he had found true beauty, lasting peace, the inner contentment that all Hippies seek. The true beauty that one enjoys while sitting on a secluded mountain and meditating in the clear, cold wind. The lasting peace that comes after your mind has expanded daily on 500 micrograms of LSD. The inner contentment that comes from eating only pure organic natural foods like liver powder and bone meal and millet.

And as I passed his coffin and gazed down upon his pale, serene face, I realized further that he (Cont. on page 86)
